Docket No. T-04208A-03-0688

Granite Telecommunications, LLC ("Applicant") has filed with the Arizona Corporation Commission ("Commission") an application for a Certificate of Convenience and Necessity ("Certificate") to provide competitive resold long distance and facilities-based local exchange telecommunications services in the State of Arizona. Applicant will be required by the Commission to provide this service under the rates and charges and terms and conditions established by the Commission.

The application, report of the Commission's Utilities Division Staff, and any written exceptions to the staff report prepared by the applicant are available for inspection during regular business hours at the offices of the Commission located at 1200 West Washington Street, Phoenix, Arizona 85007, and at the Applicant's address, 234 Copeland Street, Quincy, Massachusetts 02169.

Under appropriate circumstances, interested parties may intervene in the proceedings and participate as a party. You may have the right to intervene in the proceeding, or you may make a statement for the record. Intervention shall be in accordance with A.A.C. R14-3-105, except that all motions to intervene must be filed on or before January 5, 2004. Persons desiring to intervene must file a written motion to intervene with the Commission and send such motion to the Company or its counsel and to all parties of record, and which, at the minimum, shall contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different than the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g. a customer of the company, a shareholder of the company, a competitor, etc.).
3. A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

A.A.C. R14-3-105 shall govern the granting of motions to intervene. The granting of intervention, among other things, entitles a party to present sworn evidence at the hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and making a statement on their own behalf. The hearing is scheduled to commence on January 20, 2004 at 1:30 p.m. at the Arizona Corporation Commission, 1200 West Washington Street, Phoenix, Arizona 85007. Please check with the Commission for any changes to the scheduled hearing date.
